A BEAUTIFUL DISPLAY .- The Northern Liberties Fire Company passed the Star office, yesterday afternoon, just after we went to press, with their machine, in procession, headed by Prosperi's brass band. We have to say that no superior turn out of the kind was ever witnessed in an American city. They numbered some fifty strong, and were dressed in their appropriate gala uniform, the fireman's blue hat, red woolen shirt, black pantaloons, patent leather belt, and white so as to leave a space of ten feet between the double line of firemen. and their beautiful engine was appropriately decorated with our country's flag, the ensign of the company being carried in front of the line by Mr. Saml P. Robinson, as standard bearer, with an aid on either side. This very fine procession justly attracted universal attention on the avenue, and was accordingly accompanied by a large gloves. The well manned ropes were extended ing of their delightful ball, which came off last evening at Odd Fellows' Hall. The Union, the Franklin, the Perseverance, and the Columbia, all rung their bells on the procession

passing their engine houses, in hearty respect to the Northern Liberties Company The Columbia, on Capitol Hill, prepared a fine collation and as the festive company were passing, invited them in to partake of it, and the invitation being accepted in the most friendly manner, they went to work on the good things before them with right good will. How they did that work, the bones left behind tells the story. Vice Presidents Brown and Prenat had charge of the entertained, and discharged their duty well, reflecting the brotherly sentiments of the Columbia to the Northern Liberties. Presperi's excellent band among other inspiriting airs, played "The Flag of our Union" in splendid style. At night the grand ball came off at Odd Fellows' Hall. This was a magnificent Firemens en-

tertainment, joined in by representations of all the companies in the city, the ladies attending in large numbers, and various complexions of beauty. Boquets were presented by the ladies to Middleton Birkhead, Presi dent of the Northern Liberties, and to the Vigilant Fire Company, of Georgetown. The Sun Fire Company, of Alexandria, was handsomely represented. The companies were all in uniform, giving much life to the festivity. During the evening a fine collation was provided for the visiting Firemen, under the direction of afternoon, at 3 o'clock. the President of the Northern Liberties, who was indefatigable in his attention to the guests. Altogether the ball was largely attended, and most pleasantly enjoyed by the participants.

ARREST FOR SELLING LIQUOR .- Mr. Chas. Avenue, near Sixth street, has been arrested his late residence.

for violating the new liquor law. The case is to be tried before Justice Morsell this afternoon. This will bring the law before the first tribunal, and if the magistrate decides against Mr. Werner, he will appeal to the Circuit Court. The question is, are such houses as Mr. W. keeps, constitutionally prohibited under the anti-tippling house bill. Mr. Carlisle has been retained by the defendant.

P. S. The case has been tried to-day. After hearing the statements on both sides, the Justice gave judgment for the Corporation, and ordered Mr. Werner to pay a fine of \$20 and costs. From this decision Mr. W. has taken an appeal to the Circuit Court. The appeal goes over to the next term, when the Court will decide on the correctness of the magistrate's opinion.

SCENE AT THE STEAMBOAT WHARF.—Yesterday, a bolt of canvas fell from the steamer at the steamboat wharf. The captain jumped overboard after it. Being in for a duck," he said he was "bound to have the canvas back." He did not get it, however, without some trouble, as a boat had to be sent to help him out of his ducking adventure. Many scenes occur at the steamboat wharf not dreampt of in your philosophy."

Numbering Georgetown -The Councils of Georgetown having determined to have that city numbered, have selected Capt. Ten Eyck, who recently numbered Washington city, to do the work. He has commenced laying off the plan, and with the assistance of Captain Piper and others, will complete the work in a short period. The numbering of houses here has proved of great accommodation to the public, showing that it is well for our neighbors to fellow the example.

NEW-FASHIONED BAR-ROOM.-Last night, after the taverns and restaurants had been closed, according to law, a number of young men who had been "imbibing," and were awful dry, started in search of liquor. They found none until they met a shopkeeper, who took a hack, went to his bar-room, returned, and gave the dry ones what they wanted from the coach. We do not know that shops of this kind are licensed at all under the new law.

THE REMAINS OF HON. T. BURT.—Yesterday afternoon a hearse appeared at the lodge of the Capitol Grounds, where were deposited the remains of the Hon. T. Burt, late Governor of Nebraska, and conveyed them to the Southern steamboat wharf, in a quiet and unostentations manner. They are now on their way to his sad home in Sourh Carolina.

Pugilism.—Last night, two "young bloods" had a dispute about some matter suggested by Captain Whisky." They settled it by an appeal to their fists. Both were arrested and taken before Captain Birch, who saw that whisky and hard blows had punished both honor to do better in the future.

FUNERAL OF W. P. ELLIOTT.-The physicians having ascertained the certainty of the death of Mr. Elliott, his funeral took place this morning, a large number of mourners and the Anacostia Fire Company; and for the re- frends attending. The ceremonies, according feet alley, by 75 feet to 100 feet deep. Terms modmission of a fine to Gaffin Walley, were re- to the Catholic rites, were deeply and solemnly impressive. sociation had a fine entertainment at Iron Hall last night. Sheridan Knowles' play of "The Wife," songs and ballads, and a comic clay steam Brick Press, now in successful operation interlude, constitute the interesting perform-THE BELL.—The bell on the Perseverance

Engine house was tolled this morning, and asmany supposed that it was on account of the together with the plan and estimates of Mr. death of a member. This was a mistake. It was tolled to assemble the Hose division to receive their new hose carriage, which was expected this morning, but did not arrive.

IRON HALL To-NIGHT .- Mr. N. Kelly, comedian, has a benefit to-night at Iron Hall, and from the further consideration of the petition is worthy of attention. "The Golden Farmer," of Mr. Robert Mills in regard to a house of songs, banjo solos, and Yankee stories, torefuge; also, from the consideration of the gether with a rich farce, make up the fine entertainments.

Extracts from an editorial notice in the Portsmouth, Va. Globe, July 13, 1854. Globe, July 13, 1854.

The Editor says: In this community this medicine scarcely requires a notice, it has been so often tested and its virtues so well known from the numerous cases of its successful use, that it is sold now just as readily without prescription or recommendation for the diseases for which it is re-commended, as quinine is for chills.

In the local column of the Norfolk Daily Courier, the Edior in speaking of this preparation says: It is certainly a great medicine, and within our own knowledge has restored those who were considered beyond all human aid. Time would fail to enumerate those cured of the various Chronic Diseases, Nervous Disorders, Ulcers, Putrid Throat, Fevers, Syphilis, Dyspepsia, incapacitated Youths, Ague and Fever,

SPLENDID PICTURES.—Those of our readers who desire to pass through a splendid Gallery of Pictures, should not fail to pay a visit to Plumb's Rooms on the Avenue. He has incomparable. There is a portrait executed, in this last style, of President Pierce, that reflects great credit on the artist, every lineament thereof giving a life like expression.

and was accordingly accompanied by a large crowd of respectable citizens. It was handsomely got up in preparation for the open-

true—that indigestion is the parent of a large proportion of the fatal diseases. Dysentery, diarrhosa, cholera morbus, liver complaint, and many other diseases enumerated in the city inspector's weekly catalogue of deaths, are generated by indigestion alone. Think of that, dyspepties; think of it all who suffer from disordered stomachs, and if you are willing to be guided by advice, founded upon experience, resort at once—don't delay a day—to Hoofiand's German Bitters, prepared by Dr. C. M. Jackson, which, as an alterative, curative, and invigorant, stands alone and unapproached. We have tried the Bitters; and know that they are excellent for the diseases specified above. AROTHER PREMIUM.—Mr. WHITEHURST has been awarded another premium for his superior Daguerreotypes, exhibited at the World's Fair, New York. It will be remembered that Mr. W. received from the World's Fair, London, two medals for his unrivalled daguerreotypes of President Fillmore and Cabinet, and Pantiscopes of Niagars Falls, besides premiums at all the fairs at which he has exhibited for many years past. This speaks volumes in favor of his galleries.
